NOTES

The submission of termination notices to DOLE has its legal basis in Article 283 of the Philippine Labor Code which provides that "Termination of employment due to closure of establishment and reduction of workforce by employers should be made by serving a written notice to workers and the Department of Labor and Employment at least one (1) month before the intended date thereof." This provision applies to all employers of establishments or undertakings, whether for profit or non-profit.

Supervision

Supervision is done by DOLE Regional staff which ensure the completeness and accuracy of report submitted by employers.

Data Processing

Data Editing

Data Editing is done in several stages as follows:

1. Upon receipt of the monthly regional reports from DOLE ROs, the designated personnel checks the completeness and consistency of data. In case of doubtful entries, he/she contacts the regional office/s for clarification and makes corresponding corrections, if there are any. For National Capital Region, termination reports involving 100 or more workers are further verified thru phone.
2. The main economic activity or service provided by the establishment should be written in a more detailed description, e.g., softdrinks manufacturing, commercial banking, etc.
3. Each report should have appropriate codes such as Philippine Standard Geographic Code, Philippine Standard Industrial Classification Code and codes for termination, status, reasons and duration.
4. The addresses of establishments should be in conformance with the "Guidelines on Naming and Addressing of Establishment".
5. Editing of Philippine Standard Industrial Classification Code and duplication of reports are also being done thru computer software using SPSS program.

Note: Refer to Job Displacement Monitoring System (JDMS) Manual of Operations.

Other Processing

Other Processing

Upon receipt of reports, the following steps are done:

1. Office editing and coding
2. Data entry using PC edit then convert to pdf files
3. Checking of completeness of reports using SPSS
4. Verification of termination report with large number of displaced workers (NCR only)
5. Generation of Listing of Establishments
6. Validation/deletion of duplicate reports
7. Preparation of statistical tables.
8. Back up database annually

Note: Refer to Data Entry and Generation of Statistical Tables/List of Generation and Maintenance of Databases.
