Highlights

The second level training on Agricultural Wage Rate Survey (AWRS January 2019 Round) was held in January 10 – 11, 2019. It was held at the agency's premises particularly at Second Floor of Sumndad Building and was participated by a total of 5 participants comprising of one (1) AWRS Regional Focal, two (3) PSA-Maguindanao staff and two (2) Statistical Researchers.

This activity is conducted to have uniform understanding of the survey concepts and procedures. This is an important activity to minimize errors that could be committed during field operations.

The trainer discussed thoroughly the objectives of this project, the duties & responsibilities of the hired SR's. All the concepts and procedural activities involved in the AWRS survey were considered and undertaken through the course of the training.

Issues and Concerns

Activity / Topic	Issues / Concerns	Resolution / Action Taken
Discussion of Manual of Operations (Survey Objectives, Concepts, procedures, etc.)	In example on Slide 123, Item 5.2 What type of machine was used by. . . in THRESHING Activity the answer space were not blackened, whereas in the AWRS Palay Questionnaire was blackened.	Notified the C.O. focal. Disregard the example. The appropriate example should be either plowing or furrowing activities.
	If the farm operator listed cannot be located or the sample Barangay is not accessible due to peace and order concern during the time of visit, can we replace the listed household/operator?	Yes. Notify your supervisor if you encounter this case.
