CONFIDENTIALITY OF INFORMATION

Section 26 of RA 10625 states that:

"Individual data furnished by a respondent to statistical inquiries, surveys and censuses of the PSA shall be considered privileged communication and as such shall be inadmissible as evidence in any proceeding.

The PSA may release aggregated information from statistical inquiries, surveys and censuses in the form of summaries or statistical tables in which no reference to an individual, corporation, association, partnership, institution or business enterprise shall appear."

PENALTIES

Section 27 of RA 10625 states that:

"Respondents of primary data collection activities such as censuses and sample surveys are obliged to give truthful and complete answers to statistical inquiries. The gathering, consolidation and analysis of such data shall likewise be done in the most truthful and credible manner. Any violation of this Act shall result in the imposition of the penalty of one (1) year imprisonment and a fine of One hundred thousand pesos (P100,000.00). In cases where the respondent fails to give truthful and complete answers to such statistical inquiries is a corporation, the above penalty shall be imposed against the responsible officer, director, manager and/or agent of said corporation. In addition, such erring corporation, enterprise or business concerned, shall be imposed a fine ranging from One hundred thousand pesos (P100,000.00) to Five hundred thousand pesos (P500,000.00)."

Tourism

This refers to activities of foreign and domestic visitors traveling to and staying in places outside their usual environment for not more than one continuous year for leisure, business and other purposes not related to employment with pay from within the place visited. Traveling for the purpose of conducting businesses, for education and training, etc., can also be part of tourism. Both foreign visitors (country of residence is other than the Philippines) and domestic visitors (Philippine residents) are covered in the survey.

Tourism activities

These encompass all that foreign and domestic visitors do for a trip or while on a trip. It is not restricted to what could be considered as "typical" tourism activities such as sightseeing, sunbathing, visiting site, etc. From an economic point of view, the basic activity of foreign and domestic visitors is consumption, that is, the acquisition of consumption goods and services to satisfy individual or collective needs and wants. For the purposes of this survey, industries that respond to tourism consumption will be covered.
