Sir/Madam:

Your firm has been selected to take part in the Labor Turnover Survey (LTS) of top enterprises in Metro Manila which were drawn from the 2010 Edition of the Philippines Top 25,000 Corporations of the Securities and Exchange Commission. The survey aims to generate quarterly trend statistics on labor turnover as indicator of labor market activity and general business situation of the country. It gathers consolidated information about the enterprise and its branches, if any.

The information gathered in this survey will provide policy makers and other data users a complete picture of labor demand and job turnover and will serve as inputs to decision making and policy formulation.

Results of the survey are available at the BLES website (www.bles.dole.gov.ph) 90 days after the reference quarter.

We look forward to your usual cooperation on this undertaking.

Very truly yours,

TERESA V. PERALTA
