Grand Total	**535**	**534**	**99.81**	**499**	**99.80**	**0**	**0.00**	**23**	**4.40**	**12**	**2.24**	**1**

Formula Used (for purposes of individual performance assessment)

% Accounted = (Total Accounted / Sample Establishment) * 100

Performance Rate = [Retrieved / (Sample - (Refuse+Spoilage))] * 100

where Spoilage = Cannot be located, permanently/temporarily closed, on strike, duplicate, outside industry/employment coverage, others not eligible for processing.

Verification Rate = [For Verification / (Sample - Spoilage)] * 100

Refusal Rate = [Refused /(Sample-Spoilage)] * 100
