DEFINITION OF TERMS

Enterprise- refers to an economic unit consisting of one or more establishments under a single ownership or control. It may be a complex family of legal entities or a single legal entity such as a corporation, partnership or single proprietorship.

Main economic activity - refers to the activity that contributes the biggest or major portion of the gross income or revenues of the enterprise, e.g. metallic ore mining, food manufacturing, retail trade, education.

Major products/goods or services – refer to the specific product/goods produced or service given by the enterprise, e.g. gold, ice cream, electricity, residential buildings, automotive parts, fastfood, shipping, universal banking, security agencies, private tertiary education, private hospital or motion picture production.

TOTAL EMPLOYMENT - refers to the number of persons who worked or received pay from the enterprise and *all its branches* during the reference period. This includes the following: 1) **Working Owners** - owners who are actively engaged in the management of the enterprise but do not receive regular pay; 2) **Unpaid Workers** - persons working without pay and work for at least 1/3 of the working time normal to the enterprise; and 3) **Paid Officials and Workers** - include full-time/part-time workers; employees on paid leaves (e.g. sick/vacation/maternity/holiday/study leave); and employees working away from the enterprise but paid by and under the control of the firm. **Excluded** are workers hired through contractor/agency.

New Hires (Accessions) - refer to permanent or temporary additions to employment in the enterprise due to 1) expansion of business activity and 2) replacement of separated workers and employment resulting from changes in methods/technology of production or service.

Separations - refer to terminations of employment due to a) quits or terminations initiated by the employees and b) layoffs or terminations initiated by the employers due to economic reasons (e.g. lack of market, financial losses, redundancy) and non-economic reasons (e.g. gross negligence, AWOL).

EXISTING JOB VACANCIES – refer to the number of unfilled job openings, which are immediately available for placement and for which active recruitment steps are being undertaken anytime during the reference period.

Sir/Madam:

Your firm has been selected to take part in the Labor Turnover Survey (LTS) of top 3,300 corporations in Metro Manila. The survey aims to generate monthly trend statistics on labor turnover as indicator of labor market activity and general business situation of the country. This information will provide policy makers and other data users a complete labor market picture of labor demand and job turnover as inputs to decision making and policy formulation.

This survey gathers consolidated information about the enterprise and its branches, if any.

We look forward for your usual cooperation on this.

Very truly yours,

MA. CRISelda R. SY
Director IV
